

Into The Night

Into The Night is the new album from FM (Fixmer/McCarthy) the duo comprising of influential French Techno producer Terence Fixmer and Douglas McCarthy, the legendary voice of Nitzer Ebb.

Since releasing their first album, *Between The Devil*, in 2004 FM have taken their world dominating electronic beats and punishing vocals around the globe and have emerged to formulate a new direction for their sound. Emanating from Terence's longstanding obsession with EBM and Techno, *Into The Night* takes us on a journey into the heart of a new electronic darkness, with velvet melodies over hypnotic pulsating bass lines, and even a ballad to tug on your clubbed out heart strings!

After the revolutionary storm of their first album, FM now delivers us the unexpected - a broodingly reflective sensual new album that has the sound of the dancefloor and the soundtrack for the journey home!
